“As we begin a new season with Orange County SC, I’m incredibly excited about what lies ahead of us all. Every year brings new challenges, new energy and new opportunities to grow - and we are hungry, focused and ready to represent our club and community with pride.

Playing at Championship Soccer Stadium is always special, and this season our goal is clear: to make it a fortress again. When our fans bring their passion, their voice, and their belief, it creates an atmosphere that lifts our players to new heights and makes this one of the toughest places to play in the league.

Thank you for standing with us. Your support drives everything we do and together we will strive to make this a season to remember.”

- Danny Stone, Head coach
